

POINT SYSTEM

- Weekly A-Feature win is 40 points, with each subsequent position worth one point less with 24th position in feature worth 17 points. If more than 24 cars start feature, all positions from 24th back receive 17 points. If track runs a B-Feature(s), first first non-transferring driver receives 16 points and each subsequent position, back to sixth position, receives one less point per position.
Sixth position on back in 'B' feature(s) receive 11 points.
This applies to all 'B's, even if more than one is run.
Drivers that don't qualify for 'A' or 'B' feature will receive no points.
Heat points are awarded as follows: 1st - 3 points; 2nd - 2 points; 3rd - 1 point.
- Should a driver qualify for 'B' feature or 'A' feature, and not be able to compete, they will be scored in last position and receive points accordingly.
- If less than ten entries for any given night, for each car less than ten, one point fewer than normal is awarded for feature finish. For example, if nine cars entered, feature win would then be worth 39 points; for eight entries, win would be worth 38 points, etc
