

WISCONSIN'S PREMIER 1/3 MILE CLAY RACE TRACK
460 E. County Rd Y
OSHKOSH, WI 54901

2010

SCALING AND TECHING

Scaling:

ALL cars that are in the TOP 3 for your heat and or "B" mains must report to scaling to get scaled!

ALL cars that finish in the TOP 5 in the Feature must report to scaling!

Teching:

Top 5 in the Feature must report to the Tech building after scaling. You cannot go to your pit area; you must go directly to the Tech Building.

When you leave the Scale area, you MUST drive directly to scale building by following the outside pit roadway on the outside of the pit area.

If your tech does not need you there he will notify you by the tech building and you may proceed to your pit area. If you fail to report to the tech building you will be disqualified and loose all points and money for that race night!

Effective Date: July 5, 2010
